

Rushcliffe Walk

Wednesday 8th September 2021

Our aim is to share a number of different aspects of Rushcliffe Country Park (RCP), including a walk round the lake, through woodland, and alongside neighbouring fields. At the same time there will be glimpses of other areas (with dogs and children in mind) or for those still keen on cycling and skate boarding!

Time Schedule

10.15 a.m. Meet in the Country Park's car park. RCP is signposted from the A60 roundabout at the Loughborough end of Ruddington. Turn along Mere Lane and go ¼ mile to the roundabout next to the Business Park and take the third exit, following the sign to Rushcliffe Country Park. Mind the Alligator Teeth at the entrance!

10.30 a.m. Commence the walk (via Toilets near the entrance, if required)

Approximate distance (with opportunities to shorten/extend walk): 3.5 miles Postcode: Mere Way NG11 6JS

Lunch at Nottingham Knight pub/Premier Inn, Loughborough Road, Ruddington NG11 6LS Menu: see greeneking-pubs.co.uk

The pub is on the West Bridgford side of the A52/A60 Nottingham Knight island/roundabout.

Lunch is booked from 12.15 p.m. for anyone wishing to join the walkers separately. The no.10 bus stops right outside!

Transport will be needed to bring walkers the 2 miles from Rushcliffe Park to the Nottingham Knight lunch venue. Lifts can be arranged on that morning, if required.

Several NSA members have already emailed us to say that they wish to join the walk. If you haven't already done so, please let us know ASAP if you are hoping to join us:

..... for the walk for the walk and lunch for lunch only
