

## **Walk September 5th**

University Park

Meet in the Lakeside carpark for start at 10.30 (this carpark often starts to get busy from 10.00 and it can, at times, become difficult to find a space).

There is a tram stop close to the Lakeside theatre and car park.

The site is varied and for much of the time we will use paths but we will be going up and down hills, steps and ramps and walking on grassed areas. As we go I hope to be able to tell you about some of the buildings and features that we pass.

The walk is around 3 miles.

Lunch has been booked for 12:30 at the Nurseryman at the corner of Derby Road Beeston and Wollaton Road with the car park entrance on Wollaton road. The link to the menu is a separate attachment.

If you wish to join the walk and/or the lunch, please let Teresa know.

Please email Teresa at [teresaeallen@yahoo.com](mailto:teresaeallen@yahoo.com) as soon as possible and by 28th August at the latest.
